Summary

WAC 388-444-0035, When am I (able-bodied adult with no dependents) exempt from ABAWD provisions?

Adds an ABAWD exemption:

All adults in a food assistance household are exempt from the ABAWD provisions when there is a household member under the age of 18 even when that child is an ineligible household member.

Clarifying Information

- Adds information that the 15 percent exemption may be used (if the client meets the criteria) when the client has already used the 3-months of eligibility.
- Further clarifies that the ABAWD exemption (when there is a FS household member under the age of 18) can still be used even when the ABAWD does not have responsibility for the child.
